

Your child can't be on school grounds while they are suspended

While your child is suspended, they cannot be on school grounds, including school buses, during the suspension period. This includes the school building, playground, and any other areas of the school campus. Your child should not be present on school grounds during the suspension period, even if they are not attending school. This rule applies to all students, regardless of the reason for suspension. If you have any questions about your child's suspension, please contact the school principal or the school office.
